

## **4A Assembly 26 January 2011**

On Thursday 26 January girls in 4A took an assembly based on the colour 'Green'.

In preparation they brainstormed anything that was green and came up with some super ideas. Using this as a starting point the class wrote poems entitled 'What is Green?' Mollie Wigley, Grace Gurney and Grace Heath were chosen to read out their finished poems in the assembly.

We then did some research on sayings about the colour green and found the following:

- To be green fingered
- To be green with envy
- The grass is always greener on the other side of the fence etc.

Many of these sayings were new to the children and we had some interesting discussions on the meaning of these wise words.

The main focus of our assembly however, was to celebrate St Hilary's being awarded the Green Flag for our Eco activities and to remind the children of the school's Green Rules.

The class wrote a song to help the school learn the Green Rules, setting the words to the tune of 'What shall we do with a drunken sailor?'

To finish, the girls all recited a poem about the 3 R's....Reduce, Reuse and Recycle.
